

Cambridge High School

School Strengths: Cambridge High School is sited on 8.5 hectares of attractively planted, spacious grounds close to town, in semi rural surroundings. Cambridge offers a mild climate, a safe beautiful environment, and yet is only 15 minutes by car from Hamilton City, home of The Waikato University and Waikato Institute of Technology(WINTEC), and 1.5 hours by car from Auckland International Airport. Academic students from Cambridge High School have established a highly successful record at Waikato University and other New Zealand tertiary institutions.

Cambridge High School was established in 1883 and has a long, proud tradition of academic excellence, providing the highest quality of education for it's students. Values of co-operation, self-discipline, respect and integrity are emphasised in a traditional code of conduct, with modern teaching methods and facilities. School uniform is compulsory for all students and Cambridge High School has been described as a 'model school'. The school also prides itself in offering a balance of academic, sporting and cultural opportunities. We have welcomed international students since 1989 and value their presence in our school.

English Language Requirement
Placement within the school will depend upon the level of competence in English as assessed

by the school. It is expected that students will have a basic level of English understanding. ESOL classes are available.
